

PRAYING FOR THE 2024-2025 SCHOOL YEAR

STUDENTS

Pray for students as they go back to school. Pray that God would protect them and lead them as they navigate an ever changing culture. Pray for healthy Godly friendships. Pray against loneliness and protection over our kids hearts, minds, and ears. Pray that our kids would be sensitive to the Holy Spirit, and lead when culture wants them to follow.

PARENTS

Pray for parents of our kids. That God would grant them wisdom as they lead their children and help them navigate their emotions & decisions in the midst of an ever changing culture. That God would give parents spiritual insight in how to pray for their kids.

ADMINISTRATORS

Pray for the administrators of our schools and school district. Pray that God would touch their hearts and lead them with wisdom as they're faced with the decisions needed to create safe & healthy environments for our students & teachers.

SCHOOLS

Pray for the amazing schools in our community. For safety & protection of the campuses. Protection against violence and a way for the Love of Jesus to be experienced. Praying for our school resource officers and guardians, that angel armies would go before, beside, behind, over our kids at school.

TEACHERS

Pray for the teachers in our community. May God give them wisdom, patience, safety, and encouragement as they teach and love on the children of our community. Pray that the teachers would continue to have a heart for the kids, and that they would feel supported, encouraged, loved. Pray that they would have a desire to do their jobs with passion and compassion.

LOCAL CHURCHES

Pray for the churches in our community. That God would grant them favor & compassion as we look to partner with parents & schools to love on people right where they are and leading them into a growing relationship with Christ.
