

Dear Bridge Church Family,

As we come to the close of this year, our hearts are overflowing with gratitude as we reflect on all that God has done this past year. 2025 has been nothing short of remarkable, and we want to take a moment to thank God—and you—for being part of this journey.

This year, we have felt the power and presence of the Holy Spirit in undeniable ways. Week after week, we've gathered expecting God to move, and He has been faithful. We have seen lives changed, hearts softened, and people encounter Jesus in life-altering ways. We have witnessed miraculous healings—physical, emotional, and spiritual—that can only be explained by the goodness and power of God.

We have also seen God's faithfulness expressed through our church family in tangible ways. This year, the Bridge Church set records in both attendance and giving—not for numbers' sake, but as a reflection of a growing community fully committed to the mission of reaching people and building lives. Your generosity, faithfulness, and willingness to say “yes” have created a space for the Holy Spirit to move beautifully.

We truly believe that 2025 was a year of preparation. God was aligning hearts, strengthening foundations, and calling us deeper in faith. And now, as we look ahead, we sense clearly that 2026 will be a year of action. A year to step boldly into what God has been preparing us for. A year to move with faith, courage, and obedience as we serve our city, our families, and our world in greater ways.

Thank you for worshiping passionately, serving faithfully, giving generously, and believing boldly. We are honored to be your pastors, and we cannot wait to see what God will do as we step into this next season together.

With love and expectation,

Pastors Lucas and Kristine Ashley

The Bridge Church
