**Sunday, January 11, 2026**

## Introduction

A new beginning can be so exciting. The thrill and adventure that comes along with them. But the adventure of something new also needs an understanding and plan for what comes next. When we trust in Jesus, we begin a new life— but a new life requires new priorities. In Acts 2, the first believers didn't just believe differently; they lived differently. They chose devotions that helped them stay deeply connected to God. When we begin a new life with Jesus EVERYTHING changes. So how to we embrace new devotions to deepen our connection with a personal God.
